NATIONAL CAPITAL PLANNING
COMMISSION

Washington 25, D.C.

October 24, 1956

Colonel L. K. White
Deputy Director
Central Intelligence Agency
Washington 25, D.C.

Dear Colonel White:

On September 12, you were advised of the execution of an agreement between Fairfax County, the Commonwealth of Virginia, and the National Capital Planning Commission, covering the extension of the George Washington Memorial Parkway, from the Arlington-Fairfax County line to the site of your agency's headquarters near Langley, Virginia. You also were requested to transfer to the Commission the sum of \$250,000 of the \$500,000 made available for such transfer to the Commission for land acquisition by Supplemental Appropriation Act, 1957 (70 Stat. 678,680).

You will be pleased to know that the agreement was approved by the President on October 22 and, therefore, it now appears that the transfer of funds is in order.

Sincerely yours,

/s/

John Nolen, Jr.
Director
